"I'm so worried about Princess Elza lately. I can hear the distress in her grace's voice. I just want to make her happy."

Maiju is the personal chef for Princess Elza, but Maiju has a deeper relationship with her Princess. Maiju loves Elza, and it's difficult for Maiju to see the Princess depressed.

Twin sister of Aamu, she became a chef, and rose up the ranks, after her dish was hand selected by Elza as her favorite dish at a royal party, Maiju became enamored with Princess Elza, and eventually joined her harem.
